

Sustainability Policy

Mission

We are committed to continual improvement in environmental & social sustainability, ensuring that we understand and address the needs of our stakeholders.

Objectives

To accomplish this, we endeavour to:

- Develop/Implement a sustainability strategy to achieve our mission
- Develop/Implement policies and practices that promote environmental accountability and social responsibility
- Establish meaningful targets including carbon emissions reduction
- Work with our supply chain, customers and other stakeholders to pursue, promote & provide leadership in sustainable development
- Report externally on sustainability performance and achievements

Policy

In meeting these objectives, we will:

- Display and provide this policy to all employees, contractors, customers, and other stakeholders.
- Review our sustainability strategies, policies, and performance on a regular basis.
- Make resources available for sustainability improvements & engagement with internal stakeholders, and communications to external stakeholders.
- Communicate sustainability performance internally and externally.
